

Larder items

Delivered all to your door.

Through these difficult times, when the shelves in the supermarket are bare and confinement a challenge, we are offering boxes of fresh vegetable, salad and fruit to your door.

We can also deliver home-made restaurant standard favourites to treat you and your family!

They will be delivered ready for the fridge or freezer, these classics are then ready for whenever you want them

We also can deliver wine and beer again straight to your door.

(for these menus see our website)
