

# ACTIVITY BOXES

We have a fantastic range of activity boxes available to deliver directly to staff, clients, family or friends.

These themed SEASONED boxes include everything you need to have a fun evening online with your colleagues, friends or family.

We also can tailor your boxes for you whether that is to brand some of the items with your company logo or message, to include a personalised card for each recipient or bespoke items to be included just for your staff.

Please see our fabulous boxes below. Should you be looking for something a little different, please just get in touch [hello@seasonedevents.co.uk](mailto:hello@seasonedevents.co.uk) and we will come up with the perfect package for you.
