MULLED WINE KIT

Nothing says Christmas more than mulled wine.

Ours is expertly infused with whole spices, honey and port for the ultimate festive experience...we've done all the hard work so you don't have to.

Mastering mulled wine couldn't be easier with this delightful drinks duo. We've paired a single serve bottle of good quality red wine with a measure of our ho ho home-made signature mulling syrup and a selection of vibrant festive spices.

Once warmed through, sit back and relax as the spices release their magical aromas and the inviting scent of Christmas fills the room.

We've included a pack of zesty orange and cranberry bite-size biscuits as a seasonal sweet treat. Drink, nibble and be merry!

How to prepare:

Pour the contents into a saucepan
Add the festive spices and gently warm through on low heat
Stir occasionally until warmed through (avoid overheating and do not allow the mixture to boil)
Serve in a mug or heat proof glass
Enjoy immediately
